DRUG-FREE SCHOOL AND COMMUNITY POLICY

The use, possession, or distribution of any type of illegal drug, alcohol, or tobacco product by faculty, staff, and students is strictly prohibited on and off site of the Pentecostal Theological Seminary. In accordance with the Word of God and the tenets of our church, we acknowledge that we represent Christ in and out of the workplace.

Any student, staff, or faculty member found in violation of the above policy will be held to local, state, and federal laws. They will also be required to appear before a disciplinary committee to determine what action will be taken by the Pentecostal Theological Seminary. Sanctions imposed by the Seminary may include a warning up to and including expulsion/termination or referral for help with substance abuse. Any action taken by the Seminary will be inclusive of those required by local, state, and federal law.

It is required that our employees report, in writing, within five calendar days of any criminal drug statute convictions while employed at the Pentecostal Theological Seminary to the Office of the President in accordance with the Drug-Free Schools and Communities Act of 1989.

The President, or an individual designated by the President, will report to the Department of Education and other appropriate local, state and federal authorities deemed by law. Any employee who is in violation of the above policy will appear before a disciplinary committee. This committee will decide the appropriate action to be taken, which may include, but is not limited to, termination or referral to an appropriate substance abuse program.

Not only are there legal consequences for the use of illegal drugs, alcohol and tobacco products there are also many health risks involved. Along with legal and health consequences, the Word of God tells us that we are temples of the Holy Spirit and therefore need to honor God with our body. Since the use and misuse of the above substances are a hazard to one's physical wellbeing and cause harm to God's temple, the Pentecostal Theological Seminary strongly discourages and prohibits the use of these substances.

This policy will be given to students, faculty, and staff annually to review and sign that they will abide by the policy. A copy of this agreement will be kept on record at the Seminary for the academic year. A committee designated by the President will review the policy at least every two years.

The Cleveland and Chattanooga areas have several resources to help if you find yourself or someone else in need of help with addictive behaviors and or substance abuse. Attached is a list of some resources that are available. You may also feel free to contact the Pentecostal Theological Seminary counseling department for assistance.

Financial Aid Drug Policy

Federal law provides that a student who has been convicted of an offense under any federal or state law involving the possession or sale of a controlled substance during a period of enrollment for which the student was receiving financial aid shall not be eligible to receive any federal or institutional grant, loan, or work assistance during the period beginning on the date of such conviction and ending after the interval specified in the following table. First Offense	2 years
Second Offense	Indefinite

A student whose eligibility has been suspended based on a conviction for possession or sale of a controlled substance may resume eligibility before the end of the ineligibility period if:

- A. the student satisfactorily completes a drug rehabilitation program that:
 - 1. complies with the criteria prescribed in the federal regulations; and
 - 2. includes two unannounced drug tests;
- B. the student successfully passes two unannounced drug tests conducted by a drug rehabilitation program that complies with the criteria prescribed in the federal regulations; or
- C. The conviction is reversed, set aside, or otherwise rendered nugatory.

Student Financial Aid Eligibility

PTS scholarships are determined by financial need, or are merit based or a special one-time scholarship offering as published in writing and noted online. Need is determined by the completion of a FAFSA for U.S. Citizens. Merit based scholarships are based on GPA or other criteria as stated in the catalog, website or Financial Aid Application under scholarship listings. Masters Scholarship Listing: <https://www.ptseminary.edu/pt-seminary-masters-scholarships.php> (PTS Website)

Scholarship Disbursement

How and when Financial Aid is disbursed is viewable on the Populi Activity Feed each semester and on campus in the student commons and other vital locations on campus. Scholarship disbursements are divided in half with equal disbursements in the fall and spring. Care Ministry scholarships will be prorated with students receiving a portion each term they enroll during the academic year (July 1- June 30th) based on enrollment hours.

Disbursement Important Dates

*See Business Office scheduling or Populi Dashboard for the beginning of loan disbursements.

Loan Funds Sent Electronically

Loan funds are sent via electronic payment (for students that want their funds directly deposited to their bank account and have completed the Credit Balance Form in the Business Office). Students that fail to complete the form will be mailed a check to their billing address. Loans are applied to the students' accounts, typically sometime after the 4th week of the semester for students who apply by the deadline (See your "Financial Aid" tab in Populi and/or view your Business Office Account under the tab "By Term.") This allows you to see when your loan funds have been applied to your account. Students that submit documentation late, or have information still lacking will take longer to process. Students receive an automatic email to their PTS email account once their federal loan and scholarship have been disbursed to their student account.

Entrance Loan Counseling and Exit Loan Counseling are required for all Federal Loan recipients and may be completed at: <https://studentaid.gov/h/manage-loans>

Students eligible to receive FWS funds are determined based on the FAFSA and the student's Financial Need. Students are assigned jobs on the basis of the needs of the Seminary and the abilities and skills of the student applicant. Please note that availability of positions are limited to number of openings each year. The Federal Work Study Application may be requested by emailing our Human Resource Director, Joy Terpstra at: jterpstra@ptseminary.edu
